The North Carolina Department of Commerce ("Commerce"), an agency of the State of North Carolina ("State"), enters into this Revitalization and Economic Development Grant Agreement ("Grant Agreement") with the **City of Fayetteville** (the "Governmental Unit" or "Grantee" and, together with Commerce, the "Parties"), a local governmental unit.

WHEREAS, N.C. S.L. 2017-57 § 15.8 (b) (the "Authorizing Legislation") authorized the awarding of Revitalization and Economic Development Grants or ("Revitalization and Economic Development Grant") to provide grants to certain municipal governments to encourage revitalization and economic development through investment in **City of Fayetteville Parking Management Plan** referenced in the "Authorizing Legislation"; and

WHEREAS, Commerce, through its Rural Economic Development Division, administers the **Revitalization and Economic Development Grants**; and

WHEREAS, the Governmental Unit submitted a proposal and supporting materials (together, "Proposal") to Commerce for a grant (the "Grant") to fund a project (the "Project") as described in Grantee Proposal (Exhibit A).

NOW, THEREFORE, in consideration of the mutual promises and such other valuable consideration as set out herein, the Parties mutually agree to the following terms and conditions:

1. Grant Agreement Documents.

This Grant Agreement consists of the following documents:

- (a). This Grant Agreement, including all documents incorporated by reference herein.
- (b). Grantee Proposal (Exhibit A).
- (c). Sample Progress/Final Report (Exhibit B).
- (d). Payment Request Form (Exhibit C)
- (d). Iran Divestment Act Certification (Exhibit D-1).
- (e). Iran Divestment Act Certification (Exhibit D-2).

2. Changes in the Project or Other Conditions.

- (a). A "Project Change" is any material alteration, addition, deletion or expansion of the Project, including (without limitation) material changes to construction, rehabilitation, the matching investment in the Project and/or the other significant source of funding (if applicable). A "Project Change" also includes any filing of bankruptcy by the Governmental Unit. There shall be no Project Changes unless expressly approved of by Commerce in a separate, prior written agreement stating, if applicable, the costs and schedule for completing the Project Change.
- (b). Additionally, the Governmental Unit shall immediately notify Commerce of any change in conditions or local law, or any other event, which may significantly affect its ability to oversee, administer or perform this Grant Agreement or the Project. In its sole discretion, Commerce may deem such a change in conditions, local law or other event to constitute a Project Change.

3. Term of Grant Agreement.

The effective period of this Grant Agreement shall commence on 7/1/2017 ("Effective Date") and shall terminate on 7/1/2019 unless terminated on an earlier date under the terms of this Grant Agreement (either one of which dates shall constitute the "Termination Date") or unless extended for an express term in writing by Commerce.

4. Funding.

Commerce grants to the Governmental Unit an amount not to exceed \$100,000.00 for expenditures directly relating to the Project. The Governmental Unit hereby represents and warrants that all Grant funds shall be utilized exclusively for the purpose of the Project and consistent with this Grant Agreement, the Authorizing Legislation and all other applicable laws, rules, regulations and requirements. The Governmental Unit shall not make or approve of any improper expenditure of Grant funds, including any expenditure of Grant funds for salary or wages for employees of the grantee organization, and food or refreshment expenses.

5. Independent Status of the Governmental Unit.

- (a). The Governmental Unit is an entity independent from Commerce and the State. The Grant Agreement, the Project and any actions taken pursuant to them shall not be deemed to create a partnership or joint venture between or among the Governmental Unit, Commerce, the State or any third party. Nor shall the Grant Agreement or the Project be construed to make the Governmental Unit (including its employees, agents or contractors) or any third party into employees, agents, members or officials of Commerce or the State. Neither the Governmental Unit (including its employees, agents or contractors) nor any third party shall have the ability to bind Commerce or the State to any agreement for payment of goods or services or represent to any person that they have such ability.
- (b). The Governmental Unit shall be responsible for payment of all of its expenses, including rent, office expenses and all forms of compensation to its employees, agents and contractors. The Governmental Unit shall provide worker's compensation insurance to the extent required for its operations and shall accept full responsibility for payments of unemployment tax or compensation, social security, income taxes and any other charges, taxes or payroll deductions required by law in connection with its operations, for itself and its employees, agents and contractors who are performing work pursuant to this Grant Agreement. All expenses incurred by the Governmental Unit are its sole responsibility, and neither Commerce nor the State shall be liable for the payment of any obligations incurred in the performance of the Project.

6. Method of Payment.

Commerce shall endeavor to pay the Grant funds to the Governmental Unit within 30 calendar days of actual receipt of this Grant Agreement executed by Governmental Unit and the satisfaction of all other conditions precedent to payment of grant funds to Governmental Unit.

Funds may only be used in accordance with this Grant Agreement and the uses set forth in the Authorizing Legislation. Commerce may request, and the Governmental Unit must produce, any information from the Governmental Unit justifying the use of the Grant funds. The submission of any reports required by Exhibit B and Paragraph 8 below, or any requests for reimbursement required by this Paragraph or Exhibit B, representing that any work on the Project

has been performed shall constitute a certification that the work represented has actually been performed.

7. Project Records.

- (a). The Governmental Unit shall maintain full, accurate and verifiable financial records, supporting documents and all other pertinent data for the Project in such a manner as to clearly identify and document the expenditure of the State funds provided under this Grant Agreement separate from accounts for any separate awards, monetary contributions or other revenue sources for this Project.
- (b). The Governmental Unit shall retain all financial records, supporting documents and all other pertinent records related to the Project for a period of five (5) years from the date of the last disbursement of Grant funds or the Termination Date, whichever is later. In the event such records are audited, all Project records shall be retained beyond the five-year period until the audit is concluded and any and all audit findings have been resolved.

8. Monitoring, Reports and Auditing.

- (a). The Governmental Unit agrees to ensure compliance and provide its assistance with such monitoring and auditing requirements as the State may request, including following the Termination Date of this Grant Agreement. Additionally, the Governmental Unit shall regularly monitor all performance under Grant-supported activities to ensure that time schedules are being met and other performance goals are being achieved. Further, the Grantee, or designated agent, shall maintain records and accounts that properly document and account for the application of all Grant funds for a minimum of five (5) years after the date of the last disbursement or the Termination Date, whichever is later.
- (b). The Governmental Unit shall furnish Commerce a detailed written final report within 30 days of the Termination Date. If the Termination Date is extended a final report shall be furnished within 30 days of the new Termination Date. The Governmental Unit shall furnish detailed written progress reports as otherwise requested by Commerce within 30 days of the request from Commerce. Such progress and final reports should describe the progress made by the Governmental Unit toward achieving the requirements and purpose(s) of the Project, and shall include detailed financial documentation proving funds were appropriately expended. Such descriptions should include the successes and problems encountered during the reporting period. In Commerce's sole discretion, failure to submit a required report by the scheduled submission date or submission of an inadequate report will trigger Repayment Requirements addressed in Paragraph 12(b) of this Grant Agreement.
- (c). The Governmental Unit acknowledges and agrees that, with regard to the Grant funds, it will be subject to the audit and reporting requirements prescribed by N.C.G.S §159-34, Local Government Finance Act - Annual Independent Audit; rules and regulations. Such audit and reporting requirements may vary depending upon the amount and source of Grant funding received by the Governmental Unit and are subject to change from time to time.
- (d). The Governmental Unit grants the State and any of its related agencies, commissions or departments (including, without limitation, Commerce, the North Carolina State Auditor and the North Carolina Office of State Budget and Management) and any of their authorized representatives, at all reasonable times and as often as necessary (including after the Termination Date), access to and the right to inspect, copy, monitor, and examine all of the books, papers, records and other documents relating to the Grant Agreement or the Project. Likewise, the Governmental Unit shall ensure that any third party it employs

or contracts with to work on the Project provides the same access. In addition, the Governmental Unit agrees to comply at any time, including after the Termination Date, with any requests by the State (including, without limitation, Commerce) for other financial and organizational materials to permit the State to comply with its fiscal monitoring responsibilities or to evaluate the short- and long-range impact of its programs.

9. Termination; Availability of Funds.

- (a). If the Governmental Unit fails to fulfill in a timely and proper manner its obligations or violates any of the covenants or stipulations under this Grant Agreement, the Governmental Unit agrees that Commerce has the right to terminate this Grant Agreement by giving the Governmental Unit written notice specifying the Termination Date, which Commerce may determine in its sole discretion. Upon such termination, Commerce shall have no responsibility to make additional Grant payments. Upon such termination, the Governmental Unit shall not expend any Grant funds without Commerce's express written authorization and shall return all unspent Grant funds to Commerce upon demand.
- (b). The obligations of Commerce to pay any amounts under this Grant Agreement are contingent upon the availability and continuation of funds for such purpose. If funds for the Grant become unavailable, the Governmental Unit agrees that Commerce has the right to terminate this Grant Agreement by giving written notice specifying the Termination Date, which Commerce shall determine in its sole discretion. Upon such termination, the State shall have no responsibility to make additional Grant payments. Further, upon such termination, the Governmental Unit shall not expend any Grant funds without Commerce's express written authorization and shall return all unspent Grant funds to Commerce upon demand.

10. Liabilities and Loss.

The Governmental Unit hereby agrees to release, indemnify and hold harmless the State (including, without limitation, Commerce), and their respective members, officers, directors, employees, agents and attorneys (together, the "Indemnified Parties"), from any claims of any third party arising out of any act or omission of the Governmental Unit or any third party in connection with the performance of this Grant Agreement or the Project, and for all losses arising from their implementation. Without limiting the foregoing, the Governmental Unit hereby releases the Indemnified Parties from, and agrees that such Indemnified Parties are not liable for, and agrees to indemnify and hold harmless the Indemnified Parties against, any and all liability or loss, cost or expense, including, without limitation, reasonable attorneys' fees, fines, penalties and civil judgments, resulting from or arising out of or in connection with or pertaining to, any loss or damage to property or any injury to or death of any person occurring in connection with the Project, or resulting from any defect in the fixtures, machinery, equipment or other property used in connection with the Project or arising out of, pertaining to, or having any connection with, the Project or the financing thereof (whether arising out of acts, omissions, or negligence of the Governmental Unit or of any third party), including any claims and losses accruing to or resulting from any and all subcontractors, material men, laborers and any other person, firm or corporation furnishing or supplying work, services, materials or supplies in connection with the Project.

11. Governmental Unit Representations and Warranties.

The Governmental Unit hereby represents and warrants that:

- (a). The execution and delivery of this Grant Agreement have been duly authorized by all necessary Governmental Unit action and are not in contravention of law or in contravention of the provisions of any indenture agreement or undertaking to which the Governmental Unit is a party or by which it is bound.
- (b). There is no action, suit proceeding, or investigation at law or in equity or before any court, public board or body pending, or to the knowledge of the Governmental Unit, threatened against or affecting it that could or might adversely affect the Project or any of the transactions contemplated by this Grant Agreement or the validity or enforceability of this Grant Agreement or the abilities of the Governmental Unit to discharge its obligations under this Grant Agreement. If it is subsequently found that an action, suit, proceeding, or investigation did or could threaten or affect the development of the Project, Commerce can, in its discretion, terminate the Grant Agreement upon notice and require the Governmental Unit to repay to Commerce the entire amount of the Grant.
- (c). No consent or approval is necessary from any governmental authority as a condition to the execution and delivery of this Grant Agreement by the Governmental Unit or the performance of any of its obligations hereunder, or all such requisite governmental consents or approvals have been obtained. The Governmental Unit shall provide Commerce with evidence of the existence of any such necessary consents or approvals at the time of the execution of this Grant Agreement.
- (d). The Governmental Unit is solvent.

12. Additional Repayment Requirements and Remedies.

- (a). The repayment requirements and remedies addressed in this Paragraph 12 are in addition to those repayment requirements and other remedies set forth elsewhere in this Grant Agreement, including the requirements to repay unspent Grant funds. No remedy conferred or reserved by or to the State is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy provided for in this Grant Agreement, or now or hereinafter existing at law, in equity, or by statute, and any such right or power may be exercised from time to time and as often as may be deemed expedient.
- (b). If there is a breach of any of the requirements, covenants or agreements in this Grant Agreement (including, without limitation, any reporting requirements), or if there are any representations or warranties which are untrue as to a material fact in this Grant Agreement or in relation to the Project (including the performance thereof), the Governmental Unit agrees that Commerce may require repayment from the Governmental Unit of an amount of Grant funds to be determined in Commerce's sole discretion but not to exceed the amount of Grant funds the Governmental Unit has already received under this Grant Agreement.

13. No Waiver by the State.

Failure of the State (including, without limitation, Commerce) at any time to require performance of any term or provision of this Grant Agreement shall in no manner affect the rights of the State at a later date to enforce the same or to enforce any future compliance with or performance of any of the terms or provisions hereof. No waiver of the State of any condition or the breach of any term, provision or representation contained in this Grant Agreement, whether by conduct or otherwise, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or of the breach of that or any other term, provision or representation.

14. Waiver of Objections to Timeliness of Legal Action.

The Governmental Unit knowingly waives any objections it has or may have to timeliness of any legal action (including any administrative petition or civil action) by the State (including, without limitation, Commerce) to enforce its rights under this Grant Agreement. This waiver includes any objections the Governmental Unit may possess based on the statutes of limitations or repose and the doctrines of estoppel or laches.

15. Special Provisions and Conditions.

- (a). Non-discrimination. The Governmental Unit agrees not to discriminate by reason of age, race, religion, color, sex, national origin or disability related to the activities of this Grant Agreement.
- (b). Conflict of Interest. The Governmental Unit shall forward to Commerce along with the executed copies of this Grant Agreement a copy of its policy and any ordinance or resolution it has adopted addressing conflicts of interest that may arise involving the members of the Governmental Unit's governing body and/or any of its employees or officers involved in the Grant or the Project. Such policy, ordinance or resolution shall address situations in which any of these individuals may directly or indirectly benefit, other than through receipt of their normal compensation in their capacities as the Governmental Unit's employees, officers or members of its governing body, from the Grant or the Project, and shall include actions to be taken by the Governmental Unit or the individual, or both, to avoid conflicts of interest and the appearance of impropriety. Additionally, the Governmental Unit certifies that, as of the date it executes this Grant Agreement, no such individuals have such a conflict of interest or will directly or indirectly benefit, except in the capacities described above, from the Grant or Project. Throughout the duration of this Grant Agreement and the Project, the Governmental Unit has the duty to promptly inform Commerce of any such conflict of interest or direct or indirect benefit of which it becomes aware.
- (c). Compliance with Laws. The Governmental Unit shall at all times observe and comply with all laws, regulations, codes, rules, ordinances and other requirements (together, "Laws") of the state, federal and local governments which may in any manner affect the performance of the Grant Agreement or the Project.
- (d). Non-Assignability. The Governmental Unit shall not assign or transfer any interest in the Agreement without the prior written consent of Commerce; provided, however, that claims for money due to Governmental Unit from Commerce under this Grant Agreement may be assigned to any commercial bank or other financial institution without such approval.

Project Information

- 1 Provide a description of the downtown revitalization/economic development activities to be funded by the grant along with the estimated cost for each activity.

This grant will be funding a parking management plan for the downtown area in the City of Fayetteville. The area defined as the downtown for the purposes of this plan is the area bounded by Eastern Boulevard, Russell Street, Robeson Street/Bragg Blvd and Grove Street/Rowan Street. The plan will consider current parking capacity/operations and how upcoming developments will alter the demand on these facilities. These developments include a minor league baseball stadium complex with retail amenities, a hotel, and a conversion of an existing hotel to residential units with a retail component. The estimated cost of the plan is \$100,000.

2. Provide a description of the proposed outcomes of the downtown revitalization/economic development project/activity.

The parking management plan will inventory existing parking facilities, operations, fee schedules, revenues and parking program administration. The plan will analyze the existing and future parking program and make recommendations based on existing and upcoming developments, such as the baseball stadium. The plan will also analyze parking demands related to the diverse nature of the special events that occur downtown. These recommendations should include, but not be limited to, additional on/off-street capacities, parking structures, staffing, smart parking technology, fees, ordinances, signing and zoning. These recommendations should include comparisons to Fayetteville's peer cities within NC and consider the multi modal nature of the downtown area

3. Provide a timeline for the implementation of the downtown revitalization/economic development project/activity.

After funds for the study are secured, a request for proposals will be drafted and advertised. Interviews may be conducted to select the most qualified consultant(s) for the plan. This process will take approximately 2 months. The draft plan should be completed and presented to City Council for approval within 16 months after procurement of a consultant(s), for a total process time of 18 months.

4. Include photos of the area where the project/activity will take place and provide a description of the photos below.

Included is a map that defines the existing parking capacity/operation and a map that defines the boundaries of the downtown area for the purpose of this plan.
