

Sec. 24-101. Permit to Construct Required.

- a. No person shall construct a driveway across any public sidewalk, walkway, parkway or into any street, or cut any curb for such purpose, without having first applied for and obtained a driveway permit from the city traffic engineer, which application shall show, among other things, the location, grade, dimensions, and the construction or reconstruction in those areas designated in the city's adopted sidewalk plan of the curbs and the purpose for which the driveway is desired. If the application complies with provisions of this section, the permit shall be issued.
- b. Where any new driveway is constructed or an existing driveway reconstructed that requires a driveway permit, a city standard sidewalk shall be constructed along the entire length(s) of the property served by such driveway that abut(s) a public street. This requirement is to include all developments except single or duplex family dwelling units.
