Dear Mayor and Members of City Council,

I am writing to express the Cool Spring Downtown District's support for the proposed change to paid parking hours in Downtown Fayetteville, specifically the initiative to shift paid parking from 7 PM to 5 PM, Monday - Friday.

On February 6th, Council members Malik Davis and Deno Honodros attended the Cool Spring Downtown District's Board of Directors meeting, where the proposal was thoroughly discussed and unanimously supported, it is evident that this adjustment aligns with the collective interests of property and business owners in the area.

The proposed adjustment not only enhances accessibility and convenience for visitors but also contributes to fostering a vibrant and welcoming atmosphere for residents and businesses alike. By shifting paid parking hours to an earlier time, we can encourage greater foot traffic, support local businesses, and promote downtown as a hub for social and economic activity.

In light of these considerations, I urge you to lend your support to this proposal for the benefit of our community as a whole. Together, we can contribute to the continued revitalization and prosperity of Downtown Fayetteville, ensuring that it remains a dynamic and inviting destination for residents and visitors alike.

Thank you for your attention to this matter, and I look forward to seeing the positive impact of this initiative on our community.

Sincerely,
