5.0 CITY MANAGER REPORT

Mr. Douglas Hewett, City Manager, stated staff received the joint-use agreement from Fort Liberty for the development of the McArthur Road Sports Complex and will be executing the agreement later this week in order to begin moving through the development of the project through 2029.

Mr. Hewett stated based upon Council's direction in July, the staff and Cumberland County Schools developed the two agreements for the Traffic Control Officers and School Resource Officers and are on the consent agenda. The contracts are for a one-year period for the City to provide the services to the 49 schools inside the City limits.

Mr. Hewett stated many residents were impacted by Tropical Storm Debby, but the City is fortunate that it was not at the same level of disaster as other storms in the past. City staff will be reviewing our performance and hope to continue to improve our operations during storms.

Mr. Hewett stated the City Manager newsletter is published weekly and residents can sign up to receive it via the City's website.

8.0B ITEMS PULLED FROM CONSENT

8.0B15 City of Fayetteville School Resource Officers and Traffic Control Officers Contracts

Mr. Douglas Hewett, City Manager, stated, as shared during the City Manager's Report, staff worked diligently to execute Council's wishes which were for two separate agreements, one for SROs and one for TCOs. The SROs contract will provide us on August 26, 2024, with 6 SROs that will be assigned to roam the 9 high schools in the City limits and starting on January 1, 2025, we hope to hire an additional 3 SROs to have one SRO at each high school. The agreement makes clear with the Cumberland County School (CCS) system that given the recruitment issues and staffing concerns, we will not have a complement of SROs that will be able to work exclusively in the elementary and middle schools and will verify with CCS their plan to handle the security needs at those schools. If there is a 911 call or an emergency, the Fayetteville Police Department will still show up. For the TCOs contract, Police Chief Braden has reported 40 of the 66 TCOs have been hired and another 20 are slated to begin work on August 19, 2024, and will be 6 short of the contract goal of 66 TCOs to work traffic in the morning and afternoon at the 49 schools. Over the next few weeks staff will be working with the Mayor and Mayor Pro Tem to develop a process to look at a longer and more durable agreement.

Discussion ensued.

MOTION: Council Member Greene moved to approve the City of Fayetteville School Resource Officers and Traffic Control Officers Contracts.

SECOND: Council Member Haire

VOTE: PASSED by a vote of 8 in favor to 2 in opposition (Council Members Benavente and Hondros)

9.0 PUBLIC HEARINGS (Public & Legislative Hearings)

9.01 Public Hearing on Authorization of the Issuance of Private Activity Bonds not to Exceed \$80,000,000.00 by the Public Finance Authority Relating to Two Mixed Income Housing Developments Located at 1701 Owen Drive and 1944 Cedar Creek Road - Reauthorization

Mr. Christopher Cauley, Economic and Community Development Director, presented this item and stated this is largely a paperwork and regulatory process. The Internal Revenue Service (IRS) has regulations in its code for projects that help communities that require local governing boards approve a resolution stating the project makes sense in the community which allows private developers to access very good interest rates and lending models.

There are two projects that are currently underway in the community. In December of 2022 the projects came before the City Council for the same process. As the projects go through the process and access financing, there is a one-year time limit that the approval is good for. Because the one-year time limit has elapsed, another public hearing is required for IRS tax compliance purposes and follow staff's recommendation to approve a resolution so GoodHomes, Inc., and their private developer partners can continue the projects and access the financing terms.

This is the advertised public hearing set for this date and time. There being no one to speak, the public hearing was opened and closed.

MOTION: Council Member Haire moved to approve the resolution authorizing the issuance of private activity bonds not to exceed \$80,000,000.00 by the Public Finance Authority relating to two mixed income housing developments located at 1701 Owen Drive and 1944 Cedar Creek Road.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE
APPROVING THE ISSUANCE OF ESSENTIAL HOUSING REVENUE BONDS FOR
COMMUNITY FINANCE CORPORATION. RESOLUTION NO. 2024-029**

**9.02 Adoption of the Substantial Amendments to the Housing and Urban
Development 2020-2024 Consolidated Plan and the 2024-2025 Annual
Action Plan**

Mr. Albert Baker, Economic and Community Development Assistant Director, presented this item with the aid of a powerpoint presentation and stated this item is for substantial amendments to the Housing and Urban Development (HUD) 2020-2024 Consolidated Plan and the 2024 Annual Action Plan to allow for two activities, one is to accept a new Emergency Solutions Grant Program (ESG) and the second is to change the \$200,000.00 Home Partnership - Affordable Housing Development funding source to the HOME Partnership - Homebuyer Assistance to expand the Homebuyer HEROS Program.

After the approval of the Action Plan in April 2024, HUD notified the department the City was receiving a new entitlement for \$155,374.00 in ESG funds, therefore the funds must be added to this year's budget in order to expend them.

The Homebuyer Assistance will allow residents to access down-payment assistance without the match.

This is the advertised public hearing set for this date and time. There being no one to speak, the public hearing was opened and closed.

**MOTION: Council Member Haire moved to approve the Substantial
Amendments to the Housing and Urban Development 2020-2024
Consolidated Plan and the 2024-2025 Annual Action Plan.**

10.0 OTHER ITEMS OF BUSINESS

10.01 K-9 Incident

Ms. Lachelle Pulliam, City Attorney, stated this item is before City Council for consideration pursuant to Council Member Benavente's City Council agenda item request from the August 5, 2024, work session. City Council gave consensus to move this item forward for consideration. The petition would be for the release of the body camera footage of the K-9 incident to the public.

Discussion ensued.

**MOTION: Council Member Benavente moved to direct City staff to
petition Cumberland County Courts to release body camera
footage of the incident related to the K-9 unit.**

SECOND: Council Member McNair

This item was for information only and was not presented.

11.02 FY2024 Year-End City Council Scorecard

This item was for information only and was not presented.

11.03 Amusement Park Research and Feasibility Summary

Council Member McNair requested this item be placed on the next work session due to not receiving all of the information from the City-County Liaison Committee.

Discussion ensued.

Ms. Jodi Phelps, Assistant City Manager, stated staff reached out to the partners as indicated after Mr. Robert Van Geons, Fayetteville-Cumberland Economic Development Corporation President and CEO, presented information at the work session. The partners included Cumberland County Commissioners, Distinctly Fayetteville, and TDA and offered discussions with the Greater Fayetteville Chamber and Arts Council and other community partners. Most of the partners stated they have resource and capacity challenges and would prefer to support an aquatics center over an amusement park.

MOTION: Council Member McNair moved to have this item placed on the next work session to have staff come back with more information.

SECOND: Council Member Benavente
