Re: 2024 CLG Grant Project: Broadell National Register Nomination

Dear Mr. Soriano:

We are pleased to inform you that your application for a FY 2024 Historic Preservation Fund (HPF) grant to Certified Local Governments (CLGs) entitled Broadell National Register Nomination has been selected for funding. The grant award amount is \$21,000.

The HPF is a federal program administered by the National Park Service, United States Department of the Interior. HPF grants for made available to CLGs (including non-profit organizations and educational institutions within a CLG) through the State Historic Preservation Office (HPO), Division of Historical Resources, Office of Archives and History, North Carolina Department of Natural and Cultural Resources.

You will soon be receiving via email a grant contract for your project. Please remember that no grant activities may take place until the grant contract has been signed by the city and our agency's authorized representative. I will assist you with any questions you may have concerning the contract and the attachments. In the meantime, if there are questions, please do not hesitate to contact me at michele.patterson.mccabe@dncr.nc.gov or 919-814-6582.

In order to follow federal and state procurement guidelines, our office will assist the city in developing a Request for Proposals (RFP) and will then help the city to select a project consultant that meets those guidelines. No activities may be performed by a project consultant until the city and the consultant have signed a two-party Project Description and Contract. The HPO will prepare the Project Description and Contract, using an approved template, in consultation with the city and the consultant.

Due to federal deadlines for spending FY 2024 HPF funds, all project activities should be satisfactorily completed and approved and final products should be submitted to the HPO no later than **Friday, February 28, 2026.**

All requests for reimbursement of grant funds and final accounting should be submitted to the HPO no later than **April 30, 2026.**
