FULL DRAFT PLAN COMING SOON

To include:

- Final recommendations
- Funding options to assist in improvements
- Policy edits, additions
- Program implementation

Challenges

- High traffic volumes
- Heavy retail presence

- High transit use in the area
- Many pedestrian accidents

Few to no pedestrian amenities on many corridors.

**National Association of City
Transportation Officials
(NACTO) –**

**“ All legs of signalized
intersections must have
marked crosswalks, unless
prohibited.”**

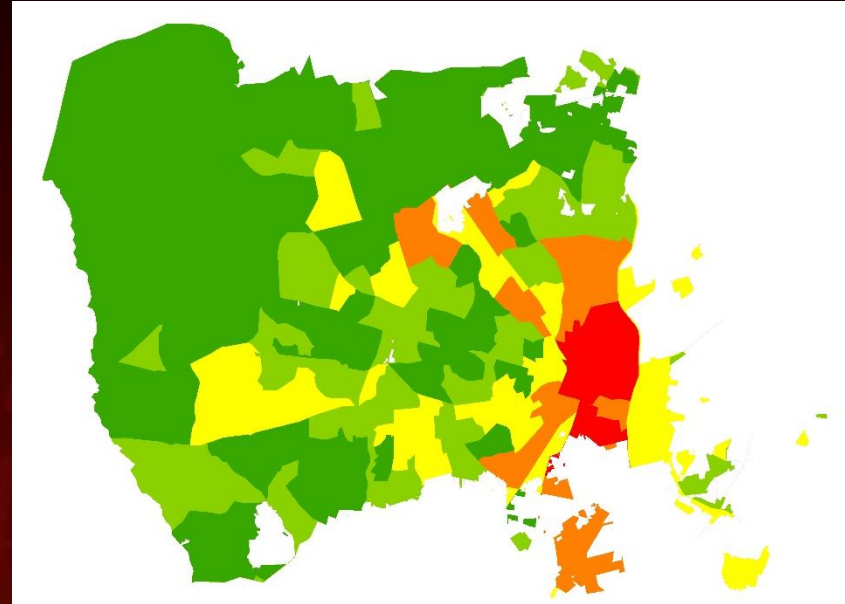

**“ Pedestrians are unlikely to
comply with a 3-stage
crossing”**

Understanding the Recommendations

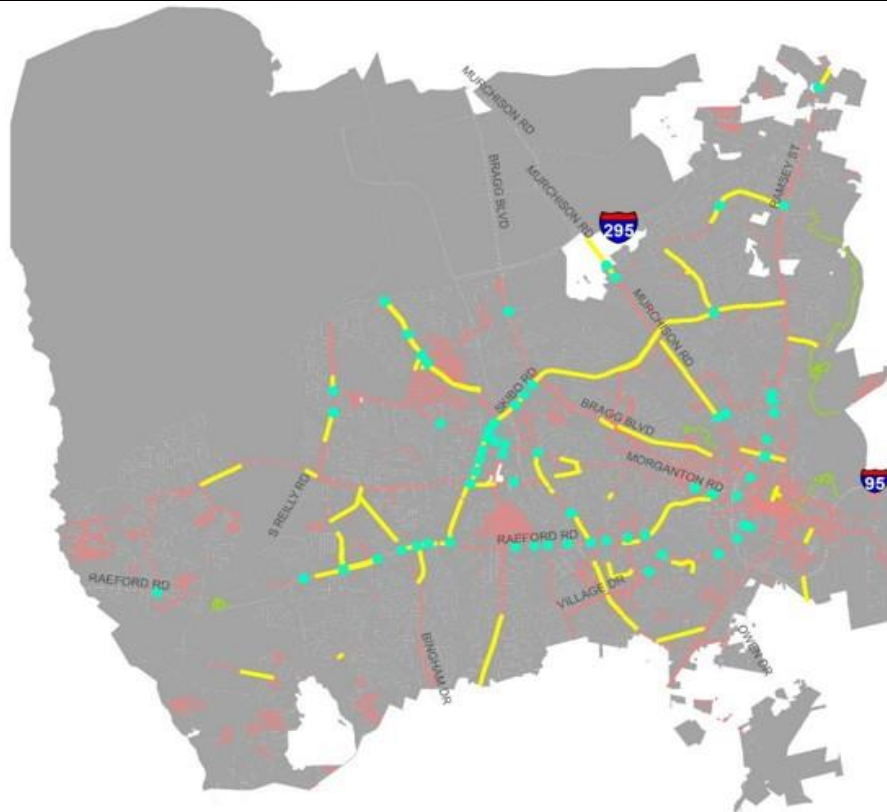

Recommendations for the City were developed by identifying:

- Pedestrian safety/activity
- Schools
- Parks
- Shopping
- Business centers
- Households living at/under poverty
- Connection to transit

Computer model was then developed to highlight focus areas.

Draft Intersection & Sidewalk Recommendations

- Proposed Sidewalk Projects
- Proposed Intersection Projects

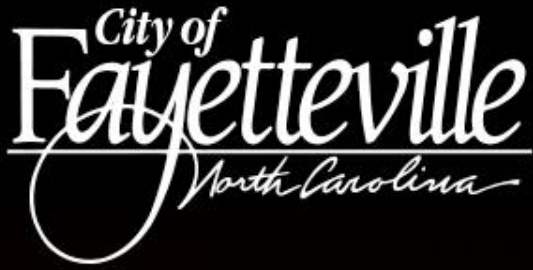

- ✓ 283 miles of sidewalk exist.
- 106 recommended sidewalk projects.
- Plan recommends 36 additional miles of sidewalk facilities providing connectivity near schools, commercial areas and high need areas.
- 62 intersection improvements.

Total \$15,000,000*

* The final Plan will include a 20 year build prioritization plan.

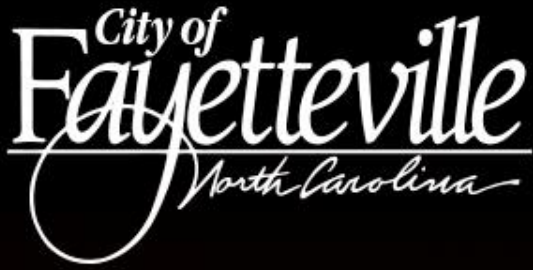

Timeline

- Public Meeting 2/15/2018
 - Westover Rec Center
 - Gather feedback on the facility recommendations
- Review the recommendations and comments received from the public, develop the final recommendations and 20- year build prioritization list.
- April 2018 – Present Final Draft Plan to Council
