APPLICABLE STANDARD CONDITIONS*

Project Applicant: Fayetteville Public Works Commission

Project Numbers: CS370434-15

1. **Social Authorities:** Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act, The Age Discrimination Act of 1975, Section 13 of the Federal Water Pollution Control Act Amendments of 1972, and Equal Employment Opportunity (Executive Order No 11246, as amended) which prohibits activities that are intentionally discriminatory and/or have a discriminatory effect based on race, color, religion, sex, sexual orientation, gender identity, or national origin.
2. **Environmental Authorities:** National Environmental Act, National Historic Preservation Act, Archeological and Historic Preservation Act, Protection of Wetlands, Flood Plain Management, Farmland Protection Policy Act, Coastal Zone Management Act, Coastal Barriers Resources Act, Wild and Scenic Rivers Act, Endangered Species Act, Essential Fish Habitat and the Safe Drinking Water Act applicability will be determined upon submittal of an Environmental Information Document (EID) during the Engineering Report review process.
3. Acquisition of Real Property must comply with all applicable provisions of the Uniform Relocation and Real Property Acquisition Policies Act of 1970 (PL 92-646), as amended. The applicant shall certify that it has or will have a fee simple or such other estate or interest in the site of the project, including necessary easements and rights-of-way, to assure undisturbed use and possession for the purpose of construction and operation for the estimated life of the project using a certification form provided by DEQ.
4. Specific MBE/WBE (DBE) forms and instructions are provided that are to be included in the contract specifications. These forms will assist with documenting positive efforts made by recipients, their consultants and contractors to utilize disadvantaged businesses enterprises. Such efforts should allow DBEs the maximum feasible opportunity to compete for subagreements and subcontracts to be performed. Documentation of efforts made to utilize DBE firms must be maintained by all recipients, and construction contractors, and made available upon request.
5. Debarment and Suspension, Executive Order No. 12549: Subrecipients shall fully comply with Subpart C of 2 CFR Part 180 entitled, "Responsibilities of Participants Regarding Transactions Doing Business with Other Persons," as implemented and supplemented by 2 CFR Part 1532. Recipient is responsible for ensuring that any lower tier covered transaction, as described in Subpart B of 2 CFR Part 180, entitled "Covered Transactions," includes a term or condition requiring compliance with Subpart C. Recipient is responsible for further requiring the inclusion of a similar term or condition in any subsequent lower tier covered transactions. Subrecipients may access suspension and debarment information at: <http://www.sam.gov>. This system allows subrecipients to perform searches determining whether an entity or individual is excluded from receiving Federal assistance.
6. The construction contract(s) requires the contractor to adhere to Davis Bacon and Related Acts Provisions and Procedures as listed in the Code of Federal Regulations Chapter 29 Part 5 Section 5 (29 CFR 5.5). Public Law pertaining to this is also enacted in Title 40, United States Code, Subtitle II Section 3141 through Section 3148.
7. As required by H.R. 3547, "Consolidated Appropriations Act, 2014" Section 436, Division G, Title IV, this project is subject to American Iron and Steel provisions. The State provides detailed requirements to be included in the construction contract specifications.
8. Section 603(d)(1)(E) of the Federal Water Pollution Control Act requires subject projects to develop and implement a Fiscal Sustainability Plan (FSP) for projects that involve the repair, replacement or expansion of publicly owned treatment works. Note that FSPs are not required for new treatment works. The certification provided must be submitted regarding compliance with this section of the Act.
9. Section 602(b)(14) of the Clean Water Act requires projects receiving CWSRF funding to comply with Federal engineering procurement guidelines. The State provides a certification form that must be completed prior to receiving funds for any engineering services covered under this funding offer.

10. Pursuant to 2 C.F.R. § 200.216, subrecipients cannot obligate SRF funds to: (1) procure or obtain; (2) extend or renew a contract to procure or obtain; or (3) enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services (as described in Public Law 115-232, Section 889) as a substantial or essential component of any system, or as a critical technology as part of any system.
11. Payment of the sums specified herein are subject to and contingent upon the availability, allocation, and appropriation of funds to the Department of Environmental Quality by the State or Federal government.

**Note: 1 does not require anything to be submitted. 8 and 9 apply to the CWSRF only. Details on all of these conditions can be found the EPA Cross-Cutter handbook.*

ASSURANCES

Project Applicant: Fayetteville Public Works Commission

Project Numbers: CS370434-15

1. The Applicant intends to construct the project or cause it to be constructed to final completion in accordance with the Application approved for financial assistance by the Division.
The recipient acknowledges that in the event a milestone contained in the most recent Clean Water State Revolving Fund Intended Use Plan and/or the Letter of Intent to Fund is missed, the Department of Environmental Quality will rescind this Funding Offer.
2. The Applicant is responsible for paying for the costs ineligible for SRF funding.
3. The construction of the project, including the letting of contracts in connection therewith, conforms to the applicable requirements of State and local laws and ordinances.
4. As of the acceptance of this Funding Award Offer, steps A-D in the SRF Guidance will be complete. These Assurances, likewise, incorporate the most recent version of the SRF Guidance, and the Applicant hereby certifies by accepting this Funding Award Offer that it will adhere to the subsequent steps in the SRF Guidance document. The remaining steps generally govern project design, bidding, contracting, inspection, disbursements, closeout and repayment.
5. The Applicant will provide and maintain adequate engineering supervision and inspection.
6. The recipient agrees to establish and maintain a financial management system that adequately accounts for revenues and expenditures. Adequate accounting and fiscal records will be maintained during the construction of the project and these records will be retained and made available for a period of at least three years following completion of the project.
7. All SRF funds loaned shall be expended solely for carrying out the approved project, and an audit shall be performed in accordance with G.S. 159-34. Partial disbursements on this loan will be made promptly upon request, subject to adequate documentation of incurred eligible costs, and subject to the recipient's compliance with the Standard Conditions of this Award. The Applicant agrees to make prompt payment to its contractor, and to retain only such amount as allowed by North Carolina General Statute.
8. The applicant will expend all of the requisitioned funds for the purpose of paying the costs of the project within three (3) banking days following the receipt of the funds from the State. Please note that the State is not a party to the construction contract(s) and the Applicant is expected to uphold its contract obligations regarding timely payment.
9. The applicant acknowledges that loan funds contained in this Funding Offer require approval from the North Carolina Local Government Commission before they can be disbursed.
