Recent Routes & Jumpstart Conferences

- May 2024 - Jumpstart Air Service Development Conference in Washington, D.C.
 - American Airlines, Breeze Airways, Delta Air Lines, Southern Airways, United Airlines, and Landline.
- October 2024 - Routes Take-Off North America Conference in Green Bay, WI
 - American Airlines, Allegiant Air, Breeze Airways, Omni Air International, Southern Airways, United Airlines, and Landline.

Proposed International Arrivals Facility

- FAY seeks to become a point of entry (POE) for international commercial, an on-airport military flight department supporting US Army Reserve Command and US Army Forces Command, as well as regular military international travel via military and charter aircraft.
- This project would satisfy that goal and significantly provide the additional infrastructure needed at FAY to support civilian and military international arrivals.

CY23 Passenger Traffic

- Total enplanements for all carriers in CY23 were 169,480 with deplanements at 169,539. A total of 339,019 passengers flown throughout CY23.
- That's a 1.9% *increase* in total enplanements compared to CY22.
- CY23 Ridership Averages:
 - Business – 26%
 - Personal – 60%
 - Military – 13%
 - Other – 1%

FAY Aviation Forecast

- Master Plan Update
- Airline Recruitment
- Attract Additional Aeronautical Businesses
- Continue Community Engagement (ACE Academy, Tours, Local University Sponsorships)
- Increased Local Art in Terminal
