Award Executive Summary

The grant requests the use of \$2,879,802 of Section 5307 Urbanized Area Formula Program funds. The grant will use Section 5307 apportionments for 2015 (\$1,884,410) and 2016 (\$995,392).

The Overall Grant Start Date: Grant Award Date

The Overall Grant End Date: March 31, 2018.

A Program of Projects is attached.

The City of Fayetteville is the Designated Recipient for FTA Section 5307 funds for the Fayetteville, NC urbanized area. See attached designation and FTA acknowledgement. There is no sub-allocation by split letter.

This grant does NOT include funding for research and development activities.

The City of Fayetteville will apply its Indirect Cost Rate.

The cognizant agency, "Housing and Urban Development" approved The City of Fayetteville's rate on July 22, 2010 and a copy of our organization's approved rate is attached. The approved rate of 9.93% will be applied when reimbursing preventative maintenance, ADA paratransit and operating assistance activities.

FTA Certifications and Assurances for 2017 were reviewed and signed by the Fayetteville City Attorney, Karen M. McDonald and Transit Director, Randy Hume. Mr. Hume has been authorized to PIIN the City's agreement in TrAMS. (See attached Certifications and Assurances signature form and delegation).

NC-2017-031-01-00	1112-2017-1-P1	4/28/2017	7/1/2016	3/31/2018

Project Description

The project will use Section 5307 urbanized area apportionments for capital expenditures. Capital funding provides for the purchase of bus surveillance equipment (camera systems), associated capital maintenance items, maintenance equipment, purchase and installation of bus shelters, construction of ADA accessible bus stops and preventative maintenance (PM) expenditures.

PM will provide reimbursement for the period July 1, 2016 through June 30, 2017.

These projects will be carried out within the Fayetteville urbanized area.

Local Match is provided in the City of Fayetteville annual operating and capital improvement budgets.

Project Benefits

The project will improve transit system safety and security, provide improved accessibility and transit customer convenience. It will also ensure the Fayetteville Area System of Transit (FAST) maintains its current assets in a manner that it continues to provide reliable service.

Additional Information

None provided.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects called categorical exclusions (CEs) which are known not to have, either individually or cumulatively, a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. Class II(c) does not require documentation.

Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.

(1) executive summary - overall start date = grant award date, per HQ. Please correct this. You will not know the grant award date. However, you should state "grant award date" in the application.

Comment (2) STIP - please attach only the STIP page that identifies the projects. The entire document is not preferred - particularly for legal.

(3) Table 3A - please attach Table 3A that confirms FAST is eligible for special rule operating assistance for FY 17.
