For the purpose of providing funds, together with any other available funds, to (a) pay the costs of the Series 2021 Project, including capitalized interest with respect thereto, (b) refund all or a portion of the Prior Bonds and (c) pay certain fees and expenses incurred in connection with the sale and issuance of the Series 2021 Bonds, there shall be issued, under and pursuant to the Constitution and laws of the State of North Carolina, including the Act, the Bond Order and this Series 2021 Bond Order, the Series 2021 Bonds in the amounts and subject to the conditions herein provided.

Section 2.02. Form of Series 2021 Bonds Generally. The definitive Series 2021[A] Bonds are issuable in fully registered form in denominations of \$5,000 or any integral multiple thereof, shall be lettered "R[A]-" and shall be numbered from 1 consecutively upward. [The definitive Series 2021B Bonds are issuable in fully registered form in denominations of \$5,000 or any integral multiple thereof, shall be lettered "RB-" and shall be numbered from 1 consecutively upward.]

The definitive Series 2021 Bonds issued under the provisions of Section 2.04 shall be substantially in the form set forth in Exhibit B, with such appropriate variations, omissions and insertions as are permitted or required by the Bond Order and this Series 2021 Bond Order.

Section 2.03. <u>Details of Series 2021 Bonds</u>. The Series 2021 Bonds shall be dated as of the date of delivery thereof, shall bear interest (computed on the basis of a 360-day year consisting of twelve 30-day months) until their payment, such interest to the maturity thereof being payable semiannually on each Interest Payment Date, and shall be stated to mature on March 1 (subject to the right of prior redemption), all as hereinafter provided.

Each Series 2021 Bond shall bear interest from the Interest Payment Date next preceding the date on which it is authenticated unless it is (a) authenticated upon an Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or (b) authenticated prior to the first Interest Payment Date, in which event it shall bear interest from its date; provided, however, that if at the time of authentication of any Series 2021 Bond interest is in default, such Series 2021 Bond shall bear interest from the date to which interest has been paid.

The principal of and premium, if any, on the Series 2021 Bonds shall be payable in lawful money of the United States of America at the designated corporate trust office of the Trustee, or its successor in trust. Payment of interest on the Series 2021 Bonds shall be made to the Owner thereof as of the applicable Record Date by check mailed by the Trustee to such Owner at its address as it appears on the registration books maintained by the Trustee, or, in the case of an Owner of at least \$1,000,000 in aggregate principal amount of the Series 2021 Bonds, by bank wire transfer to an account maintained by such Owner in the United States of America and designated in written instructions by such Owner to the Trustee.

The Series 2021 Bonds shall be initially issued by means of a book-entry system with no physical distribution of bond certificates to be made except as hereinafter provided. One bond

certificate with respect to each date on which the Series 2021 Bonds are stated to mature, in the aggregate principal amount of the Series 2021 Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), will be issued and required to be deposited with DTC and immobilized in its custody. The bookentry system will evidence ownership of the Series 2021 Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. The principal of and interest on the Series 2021 Bonds shall be payable to Cede & Co. or any other person appearing on the registration books for the Series 2021 Bonds as the registered owner of such Series 2021 Bonds or its registered assigns or legal representatives. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Series 2021 Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The Issuer, the Commission and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing records maintained by DTC, its participants or persons acting through such participants.

In the event that (a) DTC determines not to continue to act as Securities Depository for the Series 2021 Bonds or (b) the Issuer determines that continuation of the book-entry system of evidence and transfer of ownership of the Series 2021 Bonds would adversely affect the interests of the beneficial owners of the Series 2021 Bonds, the Issuer will discontinue the book-entry system with DTC. If the Issuer identifies another qualified Securities Depository to replace DTC, the Issuer will make arrangements with DTC and such other Securities Depository to effect such replacement and deliver replacement bonds registered in the name of such other Securities Depository or its Securities Depository Nominee in exchange for the outstanding Series 2021 Bonds, and the references to DTC or Cede & Co. in this Series 2021 Bond Order shall thereupon be deemed to mean such other Securities Depository or its Securities Depository Nominee. If the Issuer fails to identify another qualified Securities Depository to replace DTC, the Issuer will deliver replacement bonds in the form of fully registered certificates in the denomination of \$5,000 or any whole multiple thereof in exchange for the outstanding Series 2021 Bonds as required by DTC and others. Prior to any transfer of the Series 2021 Bonds outside of a book-entry only system (including, but not limited to, the initial transfer outside a book-entry only system) the transferor shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including, without limitation, any costs basis reporting obligations under the Internal Revenue Code Section 6045, as amended. The Trustee shall conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

To the extent that the Series Certificate does not designate any of the Series 2021B Bonds as Term Bonds, the terms and provisions of this Series 2021 Bond Order relating to Term Bonds and the Sinking Fund Requirements therefor shall not be applicable and shall no longer be in effect.]

The proceeds of the Series 2021 Bonds shall be applied by the Trustee, simultaneously with the delivery of the Series 2021 Bonds, as provided in the Series Certificate.

- (b) The Term Bonds are required to be redeemed to the extent of any Sinking Fund Requirement therefor on March 1 immediately following each Bond Year in which there is a Sinking Fund Requirement, at a redemption price equal to 100% of the principal amount of the Term Bonds to be redeemed, plus accrued interest to the redemption date.

Section 3.02. <u>Selection of Series 2021 Bonds to Be Redeemed</u>. The Series 2021 Bonds shall be redeemed only in whole multiples of \$5,000. If less than all of the Series 2021 Bonds of any one maturity are to be called for redemption, the Trustee shall select the Series 2021 Bonds to be redeemed by lot, each \$5,000 portion of principal being counted as one Series 2021 Bond for this purpose; provided, however, that so long as the only Owner of the Series 2021 Bonds is a Securities Depository Nominee, such selection shall be made by the Securities Depository in accordance with its rules and procedures.

Section 3.03. Notice of Redemption. (a) Notwithstanding and in lieu of the provisions of Section 304 of the Bond Order, at least thirty (30) days but not more than sixty (60) days prior to the redemption date of any Series 2021 Bonds to be redeemed, whether such redemption be in whole or in part, the Trustee shall cause a notice of any such redemption signed to be mailed, first class, postage prepaid, to all Owners of Series 2021 Bonds to be redeemed in whole or in part; provided, however, that notice to any Securities Depository shall be sent in the manner prescribed by such Securities Depository; and provided further that failure to mail any such notice to any Owner or any defect in such notice shall not affect the validity of the proceedings for such redemption as to the Series 2021 Bonds of any other Owner to whom notice was properly given. The Trustee shall also provide a copy such notice of redemption (i) to the Municipal Securities Rulemaking Board by posting the same on its Electronic Municipal Market Access ("EMMA") system and (ii) to the LGC by first class mail, postage prepaid, but failure to provide such notice or any defect therein shall not affect the validity of any proceedings for the redemption of any Series 2021 Bonds. The Issuer and the Commission shall provide such approvals or consents as may be required for the Trustee to file any such notice with the Municipal Securities Rulemaking Board through its EMMA filing system. Notwithstanding anything to the contrary, the Issuer acknowledges and agrees that the Trustee is not acting as the disclosure/dissemination agent for purposes of Rule 15c2-12 issued under the Securities Exchange Act of 1934 ("Rule 15c2-12") in connection with any notice required hereunder to be posted via the EMMA filing system.

If any Series 2021 Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2021 Bond, a new Series 2021 Bond in principal amount equal to the unredeemed portion of such Series 2021 Bond will be issued.
- (c) Any notice of redemption, except a notice of redemption in respect of a Sinking Fund Requirement, may state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the redemption date of moneys sufficient to pay the principal of and interest on the Series 2021 Bonds to be redeemed and that if such moneys are not so received such notice shall be of no force or effect and such Series 2021 Bonds shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the principal of and interest on such Series 2021 Bonds are not received by the Trustee on or prior to the redemption date, the redemption shall not be made, and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

This bond is one of a duly authorized series of revenue bonds of the Issuer designated "Public Works Commission Revenue Bonds, Series 2021" (the "Series 2021 Bonds"), issued pursuant to The State and Local Government Revenue Bond Act, as amended, a Bond Order duly adopted by the City Council of the Issuer on November 5, 1990, as supplemented and amended (the "Original Bond Order"), and a Bond Order duly adopted by the City Council of the Issuer on November 13, 2021 (the "Series 2021 Bond Order" and, together with the Original Bond Order, the "Bond Order") for the purpose of providing funds, together with any other available funds, to (a) pay the costs of the Series 2021 Project (as defined in the Series 2021 Bond Order), including capitalized interest with respect thereto, and (b) pay certain fees and expenses incurred in connection with the sale and issuance of the Series 2021[A] Bonds.

The Series 2021 Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Series 2021 Bond Order. One bond certificate with respect to each date on which the Series 2021 Bonds are stated to mature, in the aggregate principal amount of the Series 2021 Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), is being issued and required to be deposited with DTC (or its designee) and immobilized in its custody. Transfer of principal and interest payments to beneficial owners of the Series 2021 Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The Issuer or the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. While Cede & Co. is the registered owner of this bond, notwithstanding the provisions hereinabove contained, payments of principal of and interest on this bond shall be made in accordance with the existing arrangements among the Issuer, the Trustee and DTC.

This bond is a limited obligation of the Issuer and is secured pari passu with the Issuer's outstanding Bonds and any Additional Bonds (both as defined in the Bond Order) by a pledge of, and the principal of, the premium, if any, and interest on this Series 2021 Bond are payable solely from, the Net Revenues. This bond is also secured by the money and securities in the funds and accounts held by the Trustee under the Series 2021 Bond Order and the income from the investment thereof. Except as hereinabove described, this bond is not secured by a lien on any property or assets of the Issuer or the Public Works Commission of the City of Fayetteville, and this bond does not constitute a debt of the Issuer for which the faith and credit and taxing power of the Issuer are pledged, and the issuance of this Series 2021 Bond will not directly or indirectly or contingently obligate the Issuer to levy any tax or pledge any form of taxation for the payment hereof.

Reference is made to the Bond Order for a more complete statement of the provisions thereof and of the rights of the Issuer, the Trustee and the registered owners of the Series 2021

Bonds. Copies of the Bond Order will be available for inspection by any registered owner of the Bonds at all reasonable times at the designated corporate trust office of the Trustee. By the purchase and acceptance of this bond, the registered owner hereof signifies assent to all of the provisions of the Bond Order. All capitalized words and terms used herein and not otherwise defined have the meanings given such words and terms in the Bond Order.

This bond is issued and the Bond Order was adopted under and pursuant to the Constitution and laws of the State of North Carolina, in particular The State and Local Government Revenue Bond Act, being Article 5 of Chapter 159 of the General Statutes of North Carolina, as amended.

The Original Bond Order provides for the creation of a special fund designated "City of Fayetteville, North Carolina PWC Revenue Bonds, Bond Fund" (the "Bond Fund"). Pursuant to the Series 2021 Bond Order, special subaccounts have been created within the various accounts of the Bond Fund with respect to the Series 2021 Bonds (the "Subaccounts"), which Subaccounts are pledged and charged with the payment of the principal of and the interest on the Series 2021 Bonds. The Series 2021 Bond Order provides for the deposit of Net Revenues to the credit of the Subaccounts to the extent and in the manner provided in the Bond Order.

The City has heretofore issued under the Bond Order several series of Bonds. The Bond Order provides for the issuance from time to time under the conditions, limitations and restrictions therein set forth of Additional Bonds secured <u>pari passu</u> with the Issuer's outstanding Bonds and the Series 2021 Bonds as to the pledge of Net Revenues in the manner provided in the Bond Order.

The Series 2021 Bonds are issuable in fully registered form in denominations of \$5,000 or any integral multiple thereof. This bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing at the designated corporate trust office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Order, and upon surrender and cancellation of this bond. Upon such transfer, a new Series 2021 Bond or Bonds, registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the principal amount of this bond, of the same maturity and bearing interest at the same rate will be issued to the transferee in exchange therefor.

[The Series 2021 Bonds maturing prior to March 1, 20\_\_ are not subject to redemption prior to their maturity. The Series 2021 Bonds maturing on or after March 1, 20\_\_ are subject to redemption prior to their respective maturities, at the option of the Issuer, from any moneys that may be available for such purpose, either in whole or in part on any date on or after March 1, 20\_\_, at a redemption price equal to 100% of the principal amount of Series 2021 Bonds to be redeemed, plus accrued interest to the redemption date.]

[The Term Bonds (as defined in the Series 2021 Bond Order) maturing on March 1, 20\_\_ are subject to mandatory redemption in part beginning on March 1, 20\_\_ and on each March 1 thereafter until the maturity thereof, in the amounts set forth in the Series 2021 Bond Order as the Sinking Fund Requirements therefor, at a redemption price equal to 100% of the principal amount of the Series 2021 Bonds to be redeemed, plus accrued interest to the redemption date.]

At least thirty (30) days but not more than sixty (60) days prior to the redemption date of any Series 2021 Bonds to be redeemed, whether such redemption is in whole or in part, the Trustee shall cause a notice of any such redemption signed by the Trustee to be mailed, first class, postage prepaid, to all registered owners of Series 2021 Bonds to be redeemed in whole or in part, provided that failure to mail any such notice to any registered owner or any defect in such notice shall not affect the validity of the proceedings for such redemption as to the Series 2021 Bonds of any other registered owner to whom such notice is properly given.

On the date designated for redemption, notice having been given as aforesaid, the Series 2021 Bonds or portions thereof so called for redemption shall become due and payable at the redemption price provided for the redemption of such Series 2021 Bonds or such portions thereof on such date plus accrued interest to such date.

If less than all of the Series 2021 Bonds are to be called for redemption, the Series 2021 Bonds to be so redeemed shall be called for redemption in the manner that the Issuer shall determine as set forth in an Officer's Certificate filed with the Trustee. If less than all the Series 2021 Bonds of any one maturity are called for redemption, the Trustee shall select the Series 2021 Bonds to be redeemed by lot, each \$5,000 portion of principal being counted as one Series 2021 Bond for this purpose; provided, however, that so long as the only registered owner of the Series 2021 Bonds is Cede & Co., such selection shall be made by DTC.

Any notice of redemption[, except a notice of redemption in respect of a Sinking Fund Requirement,] may state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the redemption date of moneys sufficient to pay the principal of and interest on the Series 2021 Bonds to be redeemed and that if such moneys are not so received such notice shall be of no force or effect and such Bonds shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the principal of and interest on such Series 2021 Bonds are not received by the Trustee on or prior to the redemption date, the redemption shall not be made, and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

The registered owner of this bond shall have no right to enforce the provisions of the Bond Order, or to institute action to enforce the covenants therein, or to take any action with respect to any default under the Bond Order, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Bond Order.

Upon the occurrence of certain events, and on the conditions, in the manner and with the effect set forth in the Bond Order, the principal of all Bonds, including the Series 2021 Bonds, then outstanding under the Bond Order may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or amendments to the Bond Order or any order supplemental thereto may be made only to the extent and in the circumstances permitted by the Bond Order.

This bond, notwithstanding the provisions for registration and transfer stated herein and contained in the Bond Order, at all times shall be and shall be understood to be an investment

security within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code of North Carolina.

This bond is issued with the intent that the laws of the State of North Carolina shall govern its construction.

All acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this Series 2021 Bond and the adoption of the Original Bond Order and the Series 2021 Bond Order have happened, exist and have been performed as so required.

Neither the members of the City Council of the Issuer or its officers or employees nor any member, officer or employee of the Fayetteville Public Works Commission is liable personally hereon or subject to any personal liability or accountability by reason of the issuance or execution hereof.

This bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Bond Order until it shall have been authenticated by the execution by the Trustee of the certificate of authentication endorsed hereon.

(the "Trustee"), the principal sum set forth above. The Issuer also promises to pay, but solely from said sources, interest on this bond (calculated on the basis of a 360-day year consisting of twelve 30-day months) from the interest payment date next preceding the date on which it is authenticated, unless it is authenticated on an interest payment date, in which event it shall bear interest from such interest payment date, or it is authenticated prior to March 1, 2022, in which event it shall bear interest from its date, payable on March 1 and September 1 of each year, beginning March 1, 2022, at the rate per annum set forth above until the principal sum hereof is paid. The interest so payable and punctually paid or duly provided for on any interest payment date will be paid to the person in whose name this bond is registered at the close of business on the Record Date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the registered owner on such Record Date, and may be paid to the person in whose name this bond is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice whereof being given to the registered owners not less than ten (10) days prior to such special record date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Series 2021B Bonds (hereinafter defined) may be listed and upon such notice as may be required by such exchange, or as more fully provided in the Bond Order (hereinafter defined). Such payment of interest shall be made by check mailed by the Trustee to the registered owner at his address as it appears on the bond registration books maintained by the Trustee, or, in the case of a registered owner of at least \$1,000,000 in aggregate principal amount of the Series 2021B Bonds, by bank wire transfer to a bank account maintained by such registered owner in the United States of America and designated in written instructions to the Trustee, or in such other manner as may be permitted by the Bond Order. All such payments shall be made in such coin or currency of the

United States of America as at the time of payment is legal tender for payment of public and private debts.

This bond is one of a duly authorized series of revenue bonds of the Issuer designated "Public Works Commission Revenue Refunding Bonds, Series 2021B" (the "Series 2021B Bonds"), issued pursuant to The State and Local Government Revenue Bond Act, as amended, a Bond Order duly adopted by the City Council of the Issuer on November 5, 1990, as supplemented and amended (the "Original Bond Order"), and a Bond Order duly adopted by the City Council of the Issuer on September 27, 2021 (the "Series 2021 Bond Order" and, together with the Original Bond Order, the "Bond Order") for the purpose of providing funds, together with any other available funds, to (a) refund all or a portion of the Prior Bonds (as defined in the Series 2021 Bond Order) and (b) pay certain fees and expenses incurred in connection with the sale and issuance of the Series 2021B Bonds.

The Series 2021B Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Series 2021 Bond Order. One bond certificate with respect to each date on which the Series 2021B Bonds are stated to mature, in the aggregate principal amount of the Series 2021B Bonds stated to mature on such date and registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), is being issued and required to be deposited with DTC (or its designee) and immobilized in its custody. The book-entry system will evidence ownership of the Series 2021B Bonds in the principal amount of \$5,000 or any whole multiple thereof, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. Transfer of principal and interest payments to beneficial owners of the Series 2021B Bonds by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The Issuer or the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. While Cede & Co. is the registered owner of this bond, notwithstanding the provisions hereinabove contained, payments of principal of and interest on this bond shall be made in accordance with the existing arrangements among the Issuer, the Trustee and DTC.

This bond is a limited obligation of the Issuer and is secured pari passu with the Issuer's outstanding Bonds and any Additional Bonds (both as defined in the Bond Order) by a pledge of, and the principal of, the premium, if any, and interest on this Series 2021B Bond are payable solely from, the Net Revenues. This bond is also secured by the money and securities in the funds and accounts held by the Trustee under the Series 2021 Bond Order and the income from the investment thereof. Except as hereinabove described, this bond is not secured by a lien on any property or assets of the Issuer or the Public Works Commission of the City of Fayetteville, and this bond does not constitute a debt of the Issuer for which the faith and credit and taxing power of the Issuer are pledged, and the issuance of this Series 2021B Bond will not directly or indirectly or contingently obligate the Issuer to levy any tax or pledge any form of taxation for the payment hereof.

Reference is made to the Bond Order for a more complete statement of the provisions thereof and of the rights of the Issuer, the Trustee and the registered owners of the Series 2021B Bonds. Copies of the Bond Order will be available for inspection by any registered owner of the

Bonds at all reasonable times at the designated corporate trust office of the Trustee. By the purchase and acceptance of this bond, the registered owner hereof signifies assent to all of the provisions of the Bond Order. All capitalized words and terms used herein and not otherwise defined have the meanings given such words and terms in the Bond Order.

This bond is issued and the Bond Order was adopted under and pursuant to the Constitution and laws of the State of North Carolina, in particular The State and Local Government Revenue Bond Act, being Article 5 of Chapter 159 of the General Statutes of North Carolina, as amended.

The Original Bond Order provides for the creation of a special fund designated "City of Fayetteville, North Carolina PWC Revenue Bonds, Bond Fund" (the "Bond Fund"). Pursuant to the Series 2021 Bond Order, special subaccounts have been created within the various accounts of the Bond Fund with respect to the Series 2021B Bonds (the "Subaccounts"), which Subaccounts are pledged and charged with the payment of the principal of and the interest on the Series 2021B Bonds. The Series 2021 Bond Order provides for the deposit of Net Revenues to the credit of the Subaccounts to the extent and in the manner provided in the Bond Order.

The City has heretofore issued under the Bond Order several series of Bonds. The Bond Order provides for the issuance from time to time under the conditions, limitations and restrictions therein set forth of Additional Bonds secured <u>pari passu</u> with the Issuer's outstanding Bonds and the Series 2021B Bonds as to the pledge of Net Revenues in the manner provided in the Bond Order.

The Series 2021B Bonds are issuable in fully registered form in denominations of \$5,000 or any integral multiple thereof. This bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing at the designated corporate trust office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Order, and upon surrender and cancellation of this bond. Upon such transfer, a new Series 2021B Bond or Bonds, registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the principal amount of this bond, of the same maturity and bearing interest at the same rate will be issued to the transferee in exchange therefor.

[The Series 2021B Bonds maturing prior to March 1, 20\_\_ are not subject to redemption prior to their maturity. The Series 2021B Bonds maturing on or after March 1, 20\_\_ are subject to redemption prior to their respective maturities, at the option of the Issuer, from any moneys that may be available for such purpose, either in whole or in part on any date on or after March 1, 20\_\_, at a redemption price equal to 100% of the principal amount of Series 2021B Bonds to be redeemed, plus accrued interest to the redemption date.]

[The Term Bonds (as defined in the Series 2021 Bond Order) maturing on March 1, 20\_ are subject to mandatory redemption in part beginning on March 1, 20\_ and on each March 1 thereafter until the maturity thereof, in the amounts set forth in the Series 2021B Bond Order as the Sinking Fund Requirements therefor, at a redemption price equal to 100% of the principal amount of the Series 2021B Bonds to be redeemed, plus accrued interest to the redemption date.]

At least thirty (30) days but not more than sixty (60) days prior to the redemption date of any Series 2021B Bonds to be redeemed, whether such redemption is in whole or in part, the Trustee shall cause a notice of any such redemption signed by the Trustee to be mailed, first class, postage prepaid, to all registered owners of Series 2021B Bonds to be redeemed in whole or in part, provided that failure to mail any such notice to any registered owner or any defect in such notice shall not affect the validity of the proceedings for such redemption as to the Series 2021B Bonds of any other registered owner to whom such notice is properly given.

On the date designated for redemption, notice having been given as aforesaid, the Series 2021B Bonds or portions thereof so called for redemption shall become due and payable at the redemption price provided for the redemption of such Series 2021B Bonds or such portions thereof on such date plus accrued interest to such date.

If less than all of the Series 2021B Bonds are to be called for redemption, the Series 2021B Bonds to be so redeemed shall be called for redemption in the manner that the Issuer shall determine as set forth in an Officer's Certificate filed with the Trustee. If less than all the Series 2021B Bonds of any one maturity are called for redemption, the Trustee shall select the Series 2021B Bonds to be redeemed by lot, each \$5,000 portion of principal being counted as one Series 2021B Bond for this purpose; provided, however, that so long as the only registered owner of the Series 2021B Bonds is Cede & Co., such selection shall be made by DTC.

Any notice of redemption[, except a notice of redemption in respect of a Sinking Fund Requirement,] may state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the redemption date of moneys sufficient to pay the principal of and interest on the Series 2021B Bonds to be redeemed and that if such moneys are not so received such notice shall be of no force or effect and such Bonds shall not be required to be redeemed. In the event that such notice contains such a condition and moneys sufficient to pay the principal of and interest on such Series 2021B Bonds are not received by the Trustee on or prior to the redemption date, the redemption shall not be made, and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

The registered owner of this bond shall have no right to enforce the provisions of the Bond Order, or to institute action to enforce the covenants therein, or to take any action with respect to any default under the Bond Order, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Bond Order.

Upon the occurrence of certain events, and on the conditions, in the manner and with the effect set forth in the Bond Order, the principal of all Bonds, including the Series 2021B Bonds, then outstanding under the Bond Order may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or amendments to the Bond Order or any order supplemental thereto may be made only to the extent and in the circumstances permitted by the Bond Order.

This bond, notwithstanding the provisions for registration and transfer stated herein and contained in the Bond Order, at all times shall be and shall be understood to be an investment

security within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code of North Carolina.

This bond is issued with the intent that the laws of the State of North Carolina shall govern its construction.

All acts, conditions and things required to happen, exist and be performed precedent to and in the issuance of this Series 2021B Bond and the adoption of the Original Bond Order and the Series 2021 Bond Order have happened, exist and have been performed as so required.

Neither the members of the City Council of the Issuer or its officers or employees nor any member, officer or employee of the Fayetteville Public Works Commission is liable personally hereon or subject to any personal liability or accountability by reason of the issuance or execution hereof.

This bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Bond Order until it shall have been authenticated by the execution by the Trustee of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, the City of Fayetteville, North Carolina, by resolution duly passed by its City Council, has caused this bond to be manually signed by the Mayor and the City Clerk and its corporate seal to be impressed hereon, all as of the \_\_\_\_ day of November, 2021.
