**COUNCIL DISTRICT(S):**  
All

**Relationship To Strategic Plan:**

Goal #4: Desirable place to live and recreate  
Goal #6: Collaborative citizen and business engagement

**Executive Summary:**

A community-led advocacy group has been established by the Greater Fayetteville Chamber of Commerce in support of the Fayetteville Forward Bond package. The committee chairs and members will provide a brief update on their advocacy work and plans.

**Background:**

Following the August 8 decision of Council to adopt the bond orders to be placed on the November ballot, the Chamber of Commerce established an advocacy committee to advocate for the passage of the bonds. The committee is composed of a broad cross-section of residents representing diverse interests, backgrounds, industries and perspectives. These individuals share a common interest in advancing Fayetteville by investing in infrastructure, safety and housing.
