Background:
The Fayetteville-Cumberland County Juvenile Restitution Program focuses on making juvenile offenders, typically between the ages of 11 and 17, accountable to the community and/or victim(s) through community service work. Youth are referred to the program to complete court-ordered community service and/or restitution requirements.

The program provides meaningful work opportunities for juveniles to teach them accountability and to accept responsibility for their actions. In addition, the program focuses on changing the juvenile's attitude and negative behavior through positive reinforcement and life experiences. It is the goal of the program to decrease future criminal misbehavior by those served.

The Fayetteville Police Department has been managing the JCPC Juvenile Restitution Program. This award will allow for the continued management of the program.

Issues/Analysis:
The grant performance period expires June 30, 2023.

Budget Impact:
The City's local match of $15,951 is funded in the Police Department's General Fund operating budget for fiscal year 2023.

Options:
1) Adopt Special Revenue Fund Project Ordinance 2023-6.
2) Do not adopt Special Revenue Fund Project Ordinance 2023-6 and provide further direction to staff.

Recommended Action:
Staff recommends that Council move to adopt Special Revenue Fund Project Ordinance 2023-6 as presented.
