RE:
Adoption of Special Revenue Fund Project Ordinance 2023-5 to Appropriate a \$60,000 Federal Homeland Security Grant for Search and Rescue Training

COUNCIL DISTRICT(S):
All

Relationship To Strategic Plan:

Goal 1: Safe and Secure Community

Executive Summary:

Council is asked to adopt Special Revenue Fund Project Ordinance (SRO) 2023-5 to appropriate a \$60,000 grant from the U.S. Department of Homeland Security, passed through the North Carolina Department of Public Safety, Division of Emergency Management, for search and rescue training for the Fayetteville Fire Department.

Background:

North Carolina's Urban Search and Rescue Regional Response system provides a quick disaster response for locating and rescuing victims. North Carolina maintains seven regional Urban Search and Rescue Taskforces in the state, of which City of Fayetteville personnel staff Task Force 9. The teams maintain set skills, training, equipment, and capable personnel to respond to a wide array of disasters. Based on the location and type of incident, the State Emergency Operations Center identifies the nearest and most appropriate resource to deploy.

The City has been awarded \$60,000 of federal grant funds as a sub-grantee of the North Carolina Department of Public Safety, Division of Emergency Management for water rescue and urban search and rescue training. This additional training will increase Task Force 9's effectiveness as a type II USAR team within North Carolina.

Issues/Analysis:

None

Budget Impact:

There is no local match required for this grant.

Options:

- 1) Adopt Special Revenue Fund Project Ordinance 2023-5 to appropriate the grant funding.
- 2) Do not adopt Special Revenue Fund Project Ordinance 2023-5 and provide further direction to staff.

Recommended Action:

Staff recommends that Council move to adopt Special Revenue Fund Project Ordinance 2023-5 as presented.
