

## Legislation Text

---

File #: 18-027, Version: 1

---

**TO:** Mayor and Members of City Council

**THRU:** Kristoff T. Bauer, Deputy City Manager

**FROM:** Rob Stone, P.E., Director of Public Services

**DATE:** February 12, 2018

**RE:**  
Approval of municipal certificates with NCDOT for speed limit revisions along Raeford Road from Bunce Road to the Hoke County line

**COUNCIL DISTRICT(S):**  
6, 7, 8

**Relationship To Strategic Plan:**

The City of Fayetteville will be a highly desirable place to live, work, and recreate.

**Executive Summary:**

NCDOT is requesting the City's concurrence for their recommendation to reduce the speed limit from 55 mph to 45 mph on Raeford Road (US 401) from Bunce Road to just west of the Bentrige Lane/Old Raeford Road intersection. In order to complete these changes, two municipal speed limit certificates will need to be repealed and two municipal speed limit certificates will need to be declared for the new limits of the 45 and 55 mph speed zones. NCDOT will post 45 mph and 55 mph signs at the locations where the speed limits change.

**Background:**

The existing speed limit on Raeford Road between Bunce Road and the intersection of Bentrige Lane/Old Raeford Road is 55 mph and NCDOT is proposing to reduce it to 45 mph.

**Issues/Analysis:**

NCDOT is requesting the City's concurrence for the reduction in the speed limit on Raeford Road between Bunce Road and Bentrige Lane/Old Raeford Road intersection.

**Budget Impact:**

There will be no impact to the budget for the proposed speed limit reduction.

**Options:**

- Approve the municipal speed limit certificates
- Reject the municipal speed limit certificates and request additional information

**Recommended Action:**

Staff recommends Council move to approve the municipal speed limit certificates.
