RE:
Establishment of the Fayetteville Millennial Advisory Commission

COUNCIL DISTRICT(S):
ALL

Relationship To Strategic Plan:

Goal IV: Citizen Engagement and Partnerships
Objectives A and B

Executive Summary:

The City of Fayetteville Millennial Advisory Commission is been proposed to advise the City Council on issues relevant to the attraction, retention and engagement of Fayetteville residents born between 1981 and 2000. The Commission will be dedicated to improving the quality of life for young adults by providing recommendations to policies, programs and actions consistent with Council's Strategic Goal IV of making Fayetteville a "desirable place to live, work and recreate" for this generation

Background:

City Council identified efforts to "develop options for a young adult engagement program" as a new Target for Action (TFA) for its FY19 Strategic Plan in February 2018. Mayor Colvin held four millennial symposiums to engage students and young adult residents in October 2018. Significant interest on the topic has been sustained within the community. The TFA was affirmed and identified as a strategic initiative during the February 2019 Council Retreat.

Issues/Analysis:
