RE:
Fayetteville Advisory Committee on Transit (FACT) Annual Report

COUNCIL DISTRICT(S):
All

Relationship To Strategic Plan:

Goal 4: Desirable Place to Live, Work and Recreate

Objective D: To develop and maintain public transportation investments with high quality transit and airport services

Executive Summary:

City Council has established the Fayetteville Advisory Committee on Transit (FACT) to address the public transportation needs of Fayetteville. FACT Chairman Michael Worrell will provide an update of the Committee's activities since the committee's last report.

Background:

FACT was established by City Council to address the public transportation needs of the City in a proactive way by providing recommendations to City Council, management, users and the general public in an effort to create a comprehensive and cohesive transit system that responds to the community's present and future needs. FACT meets regularly on the third Tuesday of each month at the FAST Transit Center located at 505 Franklin Street.

FACT has nine (9) voting members appointed by City Council consisting of a regular bus rider, two ADA rider/representatives, a FAST driver/operator, two City residents, a City resident who lives outside the FAST service area, a local community business representative, and a designee of the Fayetteville Area Metropolitan Planning Organization (FAMPO).

Mr. Worrell will provide an overview of FACT's activities and plans for the future.
